Wallace Praises Colleagues
Hugh C. Wallace, the American Ambassador, who followed Mr. Lloyd George, said:

"Mr. President: It is a deep regret for me not to have been able to be present longer in these deliberations and to profit by your great wisdom and your incomparable good temper. I have learned to know you, and that is to say be love you, and President Wilson already had told me how deeply attached he was to you. I want to express to you the sentiment we feel for you and to wish you a long and happy life."

M. Clemenceau, in thanking the

happy life."

M. Clemenceau, in thanking the council for its expressions of esteem, said:

"If Great Britain, the United States, Italy and Japan remain united there is a guarantee of peace which exceeds all those guarantees which can be put on paper. If one day these nations are separated I dare not think of the misfortunes which may result.

Problems of Victory Difficult

"We arrived here somewhat disconcerted by the gravity of the problems set and the difficulty of settling them. When fighting the enemy all necessarily were in agreement, each joyfulty is a many content of the conferences and if an agreement out of the conferences now going on is not forthcoming he would favor a poll of the Senate to see where it stands on the theaty, so the President and the country might be informed. If it develops that it cannot be ratified, he said, measures to bring about peace should be attempted in other ways.

Senator Lodge said to-night when the conference adjourned that no agreement had been reached, but he felt progress had been made. He declined to say what particular reservation had been the subject of discussion during the afternoon, but said Article XIV on the voting power of the British Empire had gone over until Thurs-XIV on the voting power of the Brit-ish Empire had gone over until Thurs-day. It was understood to-night that the afternoon session was devoted largely to talking about Shantung.
